LIBERTY RALLY

July 26, 27 & 28

The Liberty Rally will be taking place at the Deltana Fair July 26-28, 2013. Our speaking events are set up to focus on topics, and our scheduled speakers are Leads. The public is encouraged to participate with questions or contributions on the subject. The idea is to educate, encourage and empower the individual via knowledge. Also remember, our children will be watching and learning about their history, culture, and the matters that will affect their current and future lives.

This document contains the schedule for the Liberty Rally events, as well as information on the Lead Speakers. Updates may be made as information becomes available, so please check back periodically for changes. For more information on the Deltana Fair (including admission and directions), please visit deltanafair.com.
